To do | Assignee Juhlian Pimping | Priority High | Due 15th Aug, 2020 10:00 AM +08 | Created by SafetyCulture Staff

Remove obstructions to fire exits on the 2nd, 3rd, an 5th floor.

Completion

Total Number of Occupants Evacuated	57
Total Number of Visitors	3
Total Number of People with Disability	1

Observations and Recommendations

Some participants were unsure where alternate fire exits were during the Obstructed Exits scenario. Will check with the personnel-in-charge if they have a copy of the new fire drill manual and updated building layout.
