Describe the Hazard

There are a bunch of cables on the floor.

Why/How is it a Hazard?

I almost tripped on them.

How serious could the injury be?

First Aid Needed

How likely is it to be that serious?

Unlikely

If requiring first aid is very likely or likely, determine controls that are reasonably practicable to minimize the risk.

Eliminate hazard if:

- serious injury is very likely or likely
- long term illness is very likely or likely
- permanent disability is very likely, likely, or unlikely
