Risk Rating

Consequences

Fatality

Likelihood

Very Likely

Risk Rating (refer risk matrix above)

High

Comments/ observations

Will need to get professional contractors to remove the popcorn ceiling and safety get rid of the asbestos.

Controls

Select control measures

Elimination

Explanation of controls

Elimination

Completion

Recommendations

Aside from the ceiling and walls, there are no other sign of asbestos. This building had been abandoned for a while before we took over and the previous occupant eliminated the other asbestos risk aside from the wall and popcorn ceiling. Sent action for taking care of the ceiling. We will handle the wall.

Signature

Astrid North

21.06.2023 14:24 PST

A handwritten signature in black ink, appearing to be the initials 'AN' or similar, written in a cursive style.
